AMENDMENT

Assistant Commissioner
for Patents
Washington, D.C. 20231

September 3, 2002

Sir:

In response to the Office Action dated July 31, 2002, please amend the
above-identified application as follows:

In the Claims:

Please add new claims 43-54 as follows:

-- 43. A method of fabricating Bragg gratings in the interior of an optical waveguide
comprising disposing a silica glass phase grating mask adjacent and parallel to a
photosensitive optical waveguide and applying a single collimating light beam
through the phase grating to said optical waveguide as a medium, said phase grating
mask being a slab of silica glass having parallel corrugations on a surface thereof
forming a surface relief pattern.
